

Tomkins Commercial and Industrial Builders

Now Accredited by the OFSC

Tomkins Commercial and Industrial Builders has achieved OFSC accreditation in December 2021.

HSEQ Pty Ltd developed an action plan, using an agreed period of time, with a number of defined measurable objectives, to ensure all parties remained focussed on this OFSC accreditation journey. The Tomkins Commercial and Industrial Builders Senior Leadership Team and Project Management Teams on site, stepped up and provided positive leadership values in the changes to the Safety Management System processes that were required to achieve OFSC Accreditation.

The OFSC Federal Safety Officer "Auditor" conducted 2 audits to finalise the accreditation of Tomkins Commercial and Industrial Builders.

Well Done the Tomkins Team – A Great Result

HSEQ Pty Ltd is a niche specialist Work Health and Safety consultancy with expertise across diverse industries, ranging from construction, fabrication services and manufacturing, mining, utilities and government organisations. We are an Australian-owned and operated private company, whose primary focus is to help our clients create and maintain safe and healthy working environments for their workers and contractors. Our strengths lie in working with clients to build strong relationships and practical ways to manage their WHS compliance and assurance obligations.

HSEQ Pty Ltd consultants have over 35 years of work health and safety consulting experience, we have a proven track record of successfully delivering tailored services that work and meet our client's needs, no matter the industry. We believe all businesses large, medium or small, can find pathways and strategies to practice the science of safety management by developing leadership values and using positive performance culture indices.

HSEQ Pty Ltd have worked in all Australian States and Territories and overseas in S.E.Asia in delivering WHS compliance and assurance services. Our consultants have extensive trade, technical, WHS backgrounds, coupled with underpinning academic qualifications in Electrical, WHS, Rail and Risk Management.

HSEQ Pty Ltd also have extensive experience (16 years) in Office of the Federal Safety Commissioner (OFSC) construction auditing requirements, both with the OFSC and Building Contractor sides.
